

MOLD ZAPPER Mold and Mildew Stain Remover works instantly, eliminating black mildew stains and green and yellow mold stains from all surfaces. Simply spray on and let dry, or rinse away when stains disappear.

INDOOR USES

Use on tile and grouting, in showers, tubs, locker rooms, bath mats and shower curtains. Use **MOLD ZAPPER** and rinse well prior to applying one of our disinfectant cleaners to eliminate dangerous mold and help stop regrowth.

ALSO REMOVES SOAP SCUM!

OUTDOOR USES

Use on cemetery monuments, headstones, mausoleums (marble, granite, bronze and concrete), canopies and awnings, outdoor furniture, wood fencing, railroad ties, etc. **MOLD ZAPPER** also prepares concrete or wood for painting.

DIRECTIONS FOR USE

Spray directly onto the surface. Allow to saturate and let work for 5 minutes (30 minutes for stubborn black mildew). No need to scrub. Do not rinse until stains disappear.

DANGER

Causes Skin Irritation
Causes Serious Eye Damage

PRECAUTIONS

Wash hands, forearms and face thoroughly after handling. Wear eye protection and protective gloves.

FIRST AID

Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible). **If Swallowed:** Rinse mouth. Do NOT induce vomiting. **If on Skin:** Wash with plenty of soap and water. Wash contaminated clothing before reuse. If skin irritation occurs, get medical advice/attention. **If Inhaled:** Remove person to fresh air and keep comfortable for breathing. **If in Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor.

Precautions for Safe Handling

Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor.
