

**CITRUS FLOAT**  
**STRIPS AWAY GREASE WITH THE**  
**POWER OF PURE, NATURAL**  
**CITRUS D'LIMONENE**

This floating lift station degreaser uses the natural cleaning power of d'Limonene from orange peel extract. This powerful solvent cleaner strips away heavy grease accumulations from walls and pumps and quickly dissolves grease balls. It deodorizes as it cleans and leaves the clean scent of fresh oranges.

The special floating formula washes down the sides of the lift station as the water level rises and falls. The all-natural ingredients work quickly and effectively without the environmental hazards or disruption of biological treatment processes.

Keep container closed when not in use. Always store out of reach of children or unauthorized personnel. Keep away from heat or open flame. Use with adequate ventilation. Avoid prolonged skin contact.
