

Remove built-up mineral deposits, scale, ash residue, and oxidation from equipment with 77X LSR. This powerful concentrated product is free of bleach, ammonia, and phosphorous, making it a safe option for any establishment. Its buffered organic salt formula is safe to use on sensitive surfaces including glass, stainless steel, and aluminum. It won't etch surfaces, strip protective finishes, or cause discoloration.

This formula is VOC-compliant and non-fuming, and it boasts a fresh wintergreen scent. A safe, versatile solution that will remove dirt, grime, heavy soils and ash residue from trucks and equipment

Unique dual action formula won't strip protective finishes, cause discoloration, or etch sensitive surfaces like other descalers.

**DIRECTIONS FOR USE**

77X-LSR can be diluted with up to 8 parts of water, depending on the application, the surface and the severity of the soil. Spot check hidden area of surface to be cleaned first. Let stand for a few minutes or longer. Rinse with a strong clean water spray.

Avoid contamination of food in the use and storage of this product. Surfaces subject to direct food contact must be rinsed with potable water.

**PLEASE NOTE:** This product should not be used on marble. Test on an inconspicuous area, if uncertain.

THIS PRODUCT CONTAINS	CAS NUMBER
